VICTORIA'S BLUESTONE

OUTDOOR
PORCELAIN

Victoria's passionate relationship with its dark and incredibly durable Bluestone dates back to the late 1800's.

It has been used in many public buildings, is viaually distinctive and has come to represent a sophisticated urban renewal.

Viewgres has developed this new Bluestone series with extraordinary attention to detail. The design is intricate,nuanced,rich and stunningly beautiful.

VERSITILE BEAUTY

With its 40 faces it is ideal for large commercial spaces and walkways as well as patios, pool decks and balconies. In addition bullnose has been developed especially to meet the needs of staircases and pool surrounds.
