LIVING WITH TILE WAREHOUSE

# UNIKA BATHROOMWARE

## PRODUCT WARRANTY & CARE

 **tile**  
warehouse  
*for design inspiration*

**Congratulations on your purchase of a quality UNIKA product!**

**Tile Warehouse stands by our product so you can feel confident about your purchase decisions.**

*NB: This Warranty covers UNIKA product only, not the installation.*

## **Disclaimer**

Tile Warehouse retains the right to change products and specifications without notice. All measurements are in millimetres and are nominal only. We do not refund if you change your mind. If the goods are faulty, however, we will meet our obligations under the Consumer Guarantees Act.

We take no responsibility for product failure caused by rough handling, incorrect use or mishandling.

## **Non Stock Items**

Products purchased by indent order take longer to deliver and once ordered the supply cannot be changed.

## **Warranty**

The following warranties apply to UNIKA products supplied to customers in New Zealand. Subject to the warranty conditions, in addition to any other right or remedy that the purchaser may have under any relevant consumer protection legislation, we undertake to either repair or replace (at our discretion) any UNIKA product if that product contains a material defect with either materials or workmanship which arose in the course of manufacture.

It is important that the UNIKA material is inspected prior to installation to ensure it is the correct product and is in good order.

<b>RESIDENTIAL WARRANTY</b>

	BUTTON ASSEMBLY	• 1 year

**\*Warranty Conditions All warranties are subject to the following conditions:**

- (1) Proof of purchase (such as invoice or receipt) must be provided by the initial purchaser. The warranty is not transferable.
- (2) All installation instructions must have been strictly followed and the product must have been installed in accordance with the relevant New Zealand Building/Plumbing Codes by a certified building or plumbing practitioner (as appropriate for the product).
- (3) The product must not have been subject to excessive wear and tear. The warranty only covers normal use and typical wear and tear.
- (4) The product must not have been tampered with or repaired in any way other than in accordance with this warranty.
- (5) The product must not have been damaged by misuse, accident or neglect, including water damage, sunlight, excessive water temperature, humidity, direct lighting or other adverse environmental conditions.
- (6) Harsh detergents or abrasive cleaners must not have been used on the product and the product must be cleaned in accordance with the recommended cleaning methods.
- (7) Tile Warehouse shall not be responsible for the cost of removal or installation of the product.
- (8) Tile Warehouse shall make the final determination on any issue or uncertainty regarding the application of this warranty.
- (9) If you acquired the UNIKA product in trade (or some other exception exists under the Consumer Guarantees Act 1993 (the Act)) then the Act shall not apply.

**If the above conditions are not met, the warranty will be null and void.** Tile Warehouse shall not be liable to the purchaser for any loss, damage (direct, indirect or consequential), cost or expense incurred by the purchaser (including, without limitation, any damage to other products and/or labour costs incurred in the installation, repair or replacement of the product) other than in accordance with the above warranty, under any relevant consumer protection legislation or as consented in writing by Tile Warehouse in advance of the cost being incurred.

## **Installation Tips**

All products must be inspected before installation. Tile Warehouse is not liable for installation costs.

Before installing, always read the installation notes.

Any wall to which a product is fixed must be of suitable construction to support that product's weight.

To assist with future maintenance and cleaning, it is strongly recommended that baths, basins and furniture be fitted to a pre-tiled surface (rather than butting tiles against an item).

Baths must not be put under undue stress which may cause crazing or other damage. Hand-tighten waste only with the correct sealant and contoured waste. Water temperature should not exceed 55°C. Do not drop anything onto a glazed surface.

## **Cleaning**

Use a moist soft cloth, micro fibre cloth or a diluted mild detergent. Never use products containing acids, bleach or caustic soda. Never use cleaners of a gritty, abrasive nature
